Graduated on May 2017 at
STI College of Novaliches, Philippines

> SKILLS

+ JavaScript

+ HTML / CSS

+ PHP

+ Angular 2 +

+ React

+ Wordpress

> PROFILE

Has a less than a year experience in web development but was exceedingly exposed to different kind of modern web technologies and implemented those learnings in different kinds of projects.

A hard-working web developer with a panache for building modish solutions with the least amount of time. Always strives to learn new skills to enhance my capabilities as a developer.
